

IGNITING CHANGE PRIVACY STATEMENT

Your privacy is important to **Igniting Change**. This privacy statement provides information about the personal information that **Igniting Change** collects, and the ways in which **Igniting Change** uses that personal information.

Credit

This document was created using a Contractology template available at <http://www.contractology.com>.

Personal information collection

Igniting Change may collect and use the following kinds of personal information:

- Information about your use of this website
- Information that you provide using for the purpose of registering with the website
- Information about transactions carried out over this website
- Information that you provide for the purpose of subscribing to the website services

Using personal information

Igniting Change may use your personal information to:

- enable your access to and use of the website services;
- send to you products that you purchase;
- send to you statements and invoices;
- collect payments from you; and
- send you marketing communications.

Where **Igniting Change** discloses your personal information to its agents or sub-contractors for these purposes, the agent or sub-contractor in question will be obligated to use that personal information in accordance with the terms of this privacy statement.

In addition to the disclosures reasonably necessary for the purposes identified elsewhere above **Igniting Change** may disclose your personal information to the extent that it is required to do so by law, in connection with any legal proceedings or prospective legal proceedings, and in order to establish, exercise or defend its legal rights.

Securing your data

Igniting Change will take reasonable technical and organisational precautions to prevent the loss, misuse or alteration of your personal information.

Igniting Change will store all the personal information you provide on its secure servers.

Information relating to electronic transactions entered into via this website will be protected by encryption technology.

Cross-border data transfers

Information that **Igniting Change** collects may be stored and processed in and transferred between any of the countries in which **Igniting Change** operates to enable the use of the information in accordance with this privacy policy.

Updating this statement

Igniting Change may update this privacy policy by posting a new version on this website.

You should check this page occasionally to ensure you are familiar with any changes.

Other websites

This website contains links to other websites.

Igniting Change is not responsible for the privacy policies or practices of any third party.

Contact Igniting Change
